

icub-main/src/tools
/frameGrabberGui2/loadingwidget.h

```
graph TD; A["icub-main/src/tools<br/>/frameGrabberGui2/loadingwidget.h"] --> B["QDialog"]; A --> C["QTimer"]; A --> D["QMutex"];
```

The diagram illustrates the dependencies of the file `icub-main/src/tools/frameGrabberGui2/loadingwidget.h`. A central grey box at the top contains the file path. Three blue arrows point downwards from this box to three separate white boxes below, each containing a Qt class name: `QDialog`, `QTimer`, and `QMutex`.

QDialog

QTimer

QMutex
