

icub-main/src/libraries
/learningMachine/include
/iCub/learningMachine/Serialization.h

```
graph TD; A["icub-main/src/libraries  
/learningMachine/include  
/iCub/learningMachine/Serialization.h"] --> B["yarp/sig/Matrix.h"]; A --> C["yarp/sig/Vector.h"]; A --> D["yarp/os/Bottle.h"];
```

The diagram illustrates the include relationships for the file `icub-main/src/libraries/learningMachine/include/iCub/learningMachine/Serialization.h`. Three blue arrows point from the bottom of the top box to the top of each of the three bottom boxes, indicating that the top file includes the three bottom files.

yarp/sig/Matrix.h

yarp/sig/Vector.h

yarp/os/Bottle.h
