

yarp::os::PeriodicThread

SnifferThread

```
graph BT; SnifferThread --> yarp::os::PeriodicThread
```

The diagram illustrates an inheritance relationship. A gray box labeled 'SnifferThread' is positioned below a white box labeled 'yarp::os::PeriodicThread'. Three blue arrows point upwards from the 'SnifferThread' box to the 'yarp::os::PeriodicThread' box, indicating that 'SnifferThread' inherits from 'yarp::os::PeriodicThread'.
