The diagram consists of three rectangular boxes arranged vertically. The top box is shaded gray and contains the text 'icub-main/src/libraries' followed by a line break and '/icubmod/imu3DM_GX3/dataTypes.h'. The middle box is white with a black border and contains 'icub-main/src/libraries' followed by a line break and '/icubmod/imu3DM_GX3/3dm_gx3.h'. The bottom box is also white with a black border and contains 'icub-main/src/libraries' followed by a line break, then '/icubmod/imu3DM_GX3/3dm_gx3.cpp'. Two blue arrows point upwards: one from the bottom box to the middle box, and another from the middle box to the top box, indicating a dependency or inclusion relationship.
