

icub-main/src/libraries
/optimization/include
/iCub/optimization/algorithms.h

```
graph BT; A["icub-main/src/libraries/optimization/src/algorithms.cpp"] --> C["icub-main/src/libraries/optimization/include/iCub/optimization/algorithms.h"]; B["icub-main/src/tools/depth2kin/src/methods.cpp"] --> C;
```

The diagram illustrates a file dependency structure. At the top, a grey-shaded box represents a header file: `icub-main/src/libraries/optimization/include/iCub/optimization/algorithms.h`. Below this, two white boxes represent source files. The left box, `icub-main/src/libraries/optimization/src/algorithms.cpp`, has a blue arrow pointing up to the header file. The right box, `icub-main/src/tools/depth2kin/src/methods.cpp`, also has a blue arrow pointing up to the same header file, indicating that both source files include this header.

icub-main/src/libraries
/optimization/src/algorithms.cpp

icub-main/src/tools
/depth2kin/src/methods.cpp
