

strain::amplifier::
IFregs

```
graph BT; A["strain::amplifier::PGA308::Registers"] --> B["strain::amplifier::IFregs"]
```

A diagram illustrating a relationship between two code blocks. A light gray box at the bottom contains the text "strain::amplifier::PGA308::Registers". A blue arrow points upwards from this box to a white box at the top, which contains the text "strain::amplifier::IFregs".
