The diagram illustrates a file dependency structure. At the top is a header file box (grey background) containing the path 'icub-main/src/libraries /icubmod/embObjFTsensor /eo_ftsens_privData.h'. Below it are two source file boxes (white background). The left box contains 'icub-main/src/libraries /icubmod/embObjFTsensor /embObjFTsensor.cpp' and the right box contains 'icub-main/src/libraries /icubmod/embObjFTsensor /eo_ftsens_privData.cpp'. Two blue arrows point from the bottom of each source file box up to the header file box, indicating that both source files include this header.
