

icub-main/src/libraries
/optimization/include
/iCub/optimization/affinity.h

```
graph BT; A["icub-main/src/libraries/optimization/src/affinity.cpp"] --> C["icub-main/src/libraries/optimization/include/iCub/optimization/affinity.h"]; B["icub-main/src/tools/depth2kin/src/methods.cpp"] --> C;
```

A diagram showing two source files at the bottom, each with a blue arrow pointing to a header file at the top. The header file is in a grey box, while the source files are in white boxes with black borders. The header file path is 'icub-main/src/libraries/optimization/include/iCub/optimization/affinity.h'. The left source file path is 'icub-main/src/libraries/optimization/src/affinity.cpp'. The right source file path is 'icub-main/src/tools/depth2kin/src/methods.cpp'.

icub-main/src/libraries
/optimization/src/affinity.cpp

icub-main/src/tools
/depth2kin/src/methods.cpp
