

yarp::os::PeriodicThread

SnifferThread

```
graph BT; SnifferThread --> yarp::os::PeriodicThread
```

The diagram illustrates an inheritance relationship between two thread classes. At the bottom, a gray rectangular box contains the text 'SnifferThread'. Above it, a white rectangular box with a black border contains the text 'yarp::os::PeriodicThread'. Three blue arrows originate from the top edge of the 'SnifferThread' box and point upwards towards the bottom edge of the 'yarp::os::PeriodicThread' box, indicating that 'SnifferThread' inherits from 'yarp::os::PeriodicThread'.
