/eo_ftsens_privData.cpp"]
```

This diagram illustrates the relationship between three source files in the icub-main/src/libraries/icubmod/embObjFTsensor directory. At the top is a header file, eo_ftsens_privData.h, which is shaded gray. Below it are two source files: embObjFTsensor.cpp on the left and eo_ftsens_privData.cpp on the right. Both source files have blue arrows pointing up to the header file, indicating that they include or depend on it.
