This diagram illustrates the include relationships for the skinManager module. At the top is a grey box representing the header file: `icub-main/src/modules/skinManager/include/iCub/skinManager/skinManager.h`. Below it are two white boxes representing source files. The left box is `icub-main/src/modules/skinManager/src/skinManager.cpp` and the right box is `icub-main/src/modules/skinManager/src/skinManagerMain.cpp`. Blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
